

# Lover's trail

Starting point: Parking and starting point by the Gvarv pier  
Approximate timetable: 45 minutes  
Degree of difficulty: Easy; flat terrain.

Active in Mid-Telemark

Trail nr. **3**

Map basis: Sauherad Municipality / Fossøy

Lover's Trail weaves through a pretty area along the banks of the Gvarv river and through the old main street in the center of Gvarv. Its beautiful old wood buildings are, in themselves, a sight to see. The trail is baby-stroller-friendly, and there are benches to sit on along the way.
