

Knarren

0 0.5 km

●●●●●●●●●● Marked trail

P Parking

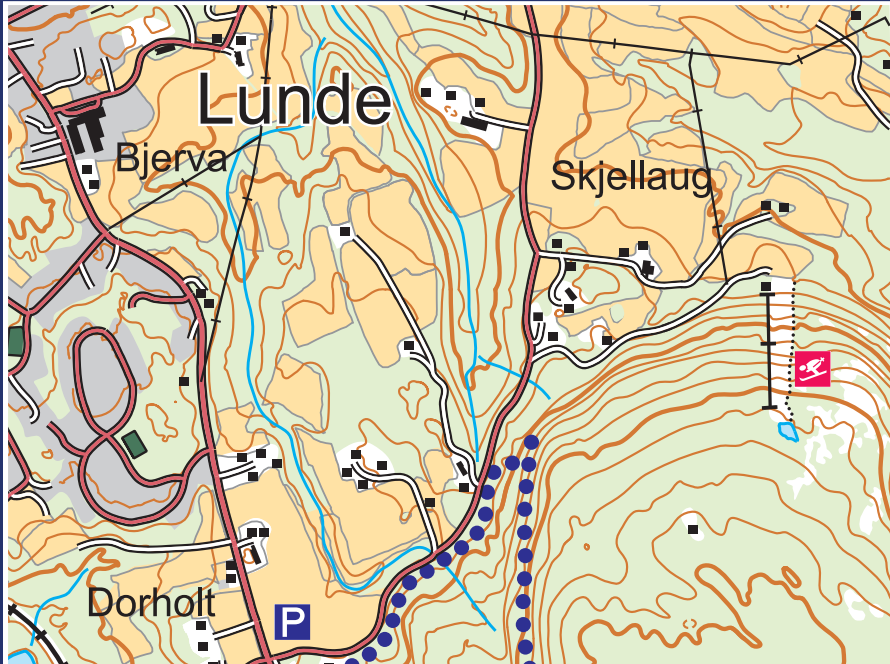

Starting point: Road between Lunde and Landsmarka, 1 km south of the Lunde center.
Approximate timetable: 2 hours
Degree of difficulty: Demanding

Active in Mid-Telemark

Trail nr. **13**

Map basis: Trailmap Nome 1: 30 000. IL Skade.

The trail to the peak Knarren is superb, providing a great view of lakes Tyrivann and Langen. Midway on the mountain is a grove of yew trees. A nice circular route is accomplished by taking the path further over Skjellaugfjellet and down to the lighted trail before returning to the starting point. Skjellaugfjellet offers a wonderful view over Hanto and Flåbygd.
